

There has never been a better time to become a Save-A-Lot Licensee.

Save-A-Lot has a new program designed to help Licensed retailers in the start up of a new store.

The secret to Save-A-Lot's success lies in the simplicity and efficiency of its business model. Continually refined and tested for more than 30 years, we focus on driving down costs to give our independently owned retailers a competitive edge.

Simple. Successful. Save-A-Lot.
